

Northwest Orange County Areawide Transportation Study (NOWOCATS)

FUTURE CONDITIONS EVALUATION 2050 BUILD

The future **Build** Traffic Operations analyzed the projected roadway segment operations for the year 2050 if both programmed and planned improvements are implemented.

Results show an improvement over the **No-Build** conditions.

2050 Build Operations	
	Roadway Segments
LOS A - C	55%
LOS D	16%
LOS E	7%
LOS F	22%
